Help?

*Hanken School of Economics has enabled single sign-on. This means you can sign in to your FT account while logged in to your Hanken School of Economics user account. An FT password is not required.

You will see this message below, recognising you are able to sign in via SSO. Click on 'Sign in'.

FT

If you already have an FT.com account

..and you
are already
logged into
Hanken
SSO

you are automatically logged into your FT.com account
and redirected to the original FT page you logged in
from

ES

myFT

Portfolio My Account

Russian central bank steps in to rescue
Otkritie 56M AGO

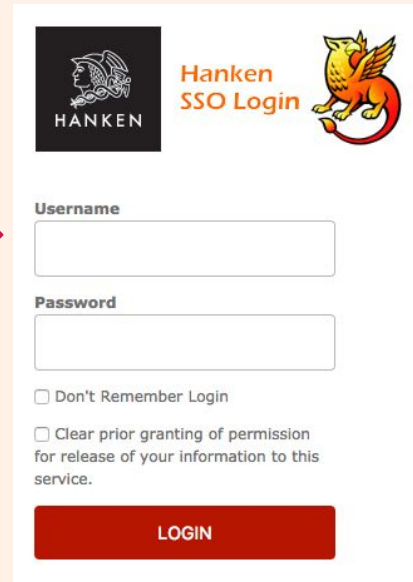

before being logged into your
FT.com account and redirected
accordingly

FT

OR

..and you
are not
logged into
Hanken
SSO

you will be
redirected to
Hanken SSO page
where you will
need to
authenticate
yourself

The login page features the Hanken logo (a profile of a head) and the text 'Hanken SSO Login' next to a phoenix icon. It includes input fields for 'Username' and 'Password', a 'Don't Remember Login' checkbox, a checkbox for 'Clear prior granting of permission for release of your information to this service.', and a red 'LOGIN' button at the bottom.

If your FT.com account does not match your Hanken username
